\$5,000 Scholarship Awarded to Miami Valley Student

Dayton, Ohio May 21, 2009 – Each year Penn Station searches the Miami Valley for high school seniors who excel in the classroom and on the field. One student is chosen at the end of the end of year and awarded a \$5,000 college scholarship for their academic and athletic excellence. This year the \$5,000 Penn Station Athlete of the Year scholarship was awarded to Brett Fulk of Greeneview High School (GHS).

Brett represents his school in Varsity basketball, Varsity tennis, and Varsity golf. He is also involved in Students Opposed to Drugs & Alcohol, and Project Charlie. Mark Rinehart, Greeneview High School Athletic Director said, "Brett is an outstanding student athlete. He has played 3 sports here and is ranked 3rd in his class with a 4.537 GPA. Brett is a great role model and leader at GHS." After graduation Brett plans to attend Wright State University and study medicine.

The "Penn Station Athlete of the Month" program was launched in 1998. Since then, Penn Station *East Coast Subs* has awarded nearly \$95,000 in award money and college scholarships. Eighty-seven students have been named "athlete of the month" and ten have received \$5,000 college scholarships. "We designed this program to reward both the school and the student. It has been extremely gratifying to watch these students grow into adults and know that we are helping them go on to college," says Kevin Osterfeld, President of Penn Station Dayton. "A special thanks goes out to PSAM program sponsors: WDTN/Channel 2, Fly 92.9 radio, and Hot 102.9 radio. They have embraced this program as long as I have and we thank them for their continued support."

The 2008-09 Athlete of the Month winners are:
